BRIEF CONTENTS

Organizing Committee	ii
Brief Contents	iii
Editorial Preface	vi
Keynote Speaker : Djoko Sasono	KS1-8
Welcome Speech : Daniel Dewantoro R.	WS1-16
Opening Speech : Heri Sudarmaji	OS1-12
Plenary Speaker :	
1. Antoni Arif Priadi	PS1-6
2. Hendra Hermawan	PS7-16
3. Aisyah Endah Palupi	PS17-24
4. Yudhi Ariadhi	PS25-30
Presented :	
1. Character Education and Parenting Patterns for Soft Skills at the Cadets of the Indonesian Aviator Academy Banyuwangi (Putra et al.)	P1-6
2. Proposed Operational Risk Improvements To Increase Aviation Safety Reliability (Prastawa et al.)	P7-20
3. Designing Control And Monitoring Tools For Charging And Accu Power Consumption Using Internet Of Things (Iot) Technology (Aryono & Winardi)	P21-30
4. A Prediction of the Number Domestic Airplane Passengers Using Resilient Backpropagation Method during the Covid-19 Recovery Period (Daniel D. Rumani)	P31-40
5. Cardiorespiratory Health Studies At High Speed And Altitude (Finahari & Rubiono)	P41-52
6. Analysis of Runway Flexible Pavement Design for Boeing 737-800 Aircraft using FAA Method (Suraji et al.)	P53-62
7. Aviation Biomechanics : Initiating Amphibious Bird-Based Aerospace Technology (Prayitno et al.)	P63-76
8. Aviation Music : Improving The Pilot Cadet Focus During Flying Training Through Psychoacoustics (Mintje et al.)	P77-82
9. Aviation Music : Psychoacoustic Relaxation In Long-Haul Flights (Rusdyansyah et al.)	P83-90
10. The Influence Of Leadership Style And Performance Monitoring Lecturer Of West Sumatra Poltekpel With The Working Climate As Intervening Variables (Dede Ardian)	P91-102
11. Algorithm Fletcher Reeves for Predicting A Percentage of Domestic & International Aircraft Passengers by Major Airports in Indonesia (Prayitno et al.)	P103-112
12. Evaluation of Decision-Making Training Based Emergency Landing Method (Fahmi et al.)	P113-116
13. An Analysis Of Vocabulary Mastery And Pronunciation Of Cadet's Speaking Ability In Aviation English At Indonesia Civil Pilot Academy Of Banyuwangi (Kurniawan & Lestari)	P117-124
14. Cadet Training Aircraft Energy Management Evaluation (Soebiyakto et al.)	P125-130

15. Struggling to implement Task-based Language Teaching for Aviation English; Co-Collaboration between Flight Instructor and English Lecturer (Marantika et al.)	P131-140
16. Cessna 172 SP Skyhawk Cockpit Noise Level Analysis (Rubiono & Arief)	P141-150
17. Analysis of Work Life Balance and Job Satisfaction Flight Instructor: A case study of the Indonesian Aviation Academy Banyuwangi (Cahyo et al.)	P151-156
18. The Importance of Competitive Advantage to Improve Organizational Performance at The Aviation Vocational College (Mubarok et al.)	P157-166
19. The Potential of Aeromodelling as a Medium for Early Learning of Cadet Flight Practice (Arif et al.)	P167-176
20. The Importance Of Organizational Learning Capability To Improve Organizational Performance: Library Research (Mubarok et al.)	P177-180
21. Application Development of Automation Job Assignments (Maulidi et al.)	P181-194
22. The Influence of Innovative Performance on Competitive Advantage in Indonesia Aviation Vocational Polytechnic (Mubarok et al.)	P195-204
23. The Influence of Leadership Style on Motivation and Performance of Research and Dedication to Lecturers at the Indonesian Aviation Academy Banyuwangi (Untung LN Wibowo)	P205-210
24. Analysis of Highly Educated People's Satisfaction with Airline Services at Blimbingsari Airport Banyuwangi (Wibowo & Martono)	P211-218
25. Conveying Message Distortion: an Synchronous and Asynchronous Approach to Effective Aviation Communication Services (Fahmi et al.)	P219-230
26. Control Mechanism of Wing Landing Gears Aircraft Using PID Controller (Mulyadi & Amin)	P231-240
27. The Potential of Drones as an Early Learning Medium for Cadet Pilot Flight Practices (Iswahyudi et al.)	P241-252
28. Cessna 172 SP Aircraft Cockpit Comfort Study: Assessment of Cadets and Instructors of Indonesia Civil Pilot Academy of Banyuwangi (Sitompul et al)	P253-266
29. Ethical Implications in the Implementation of Flight 4.0 in Indonesia (Anamofa - Nanuru)	P267-268
30. Coffee Roasting Review For Safe Caffeine Consumption For Pilots : A Review (Qiram et al.)	P269-270
31. Cessna 172SP Magneto Performance Test Against Different Thermal Conditions (Narullah & Sulung)	P271-272
32. The Effect of Cable Tension and Vibration of Lycoming IO-360-L2A Engine on Cable Flap (Endrawan et al.)	P273-274
33. Education Hopes In Learning Methods Character Education And Competence Standards For Triangle Of Success Airmanship (A. Mubarok)	P275-276
34. Literacy Studies the Influence of Leadership on the Pilot Profession in Indonesia (Martono & Daimboa)	P277-278
35. The Effect of Seating Position Arrangement Inside the Cockpit of the C172 Aircraft On Visualization of Pilots (Martono et al.)	P279-280
36. The Effect Of Mental Health On The Flying Practice Performance Of Level 1 And 2 Aviation Cadets (William et al.)	P281-282
37. Financial Management of Public Services Agency In Higher Education Services (Efendi et al.)	P283-284

38. Design of Learning Module for Cessna 172 SP Aircraft Maintenance Management Based on MBKM-Industrial Job Training (Sulung et al.)	P285-286
39. A Pragmatic Analysis Of Police Investigation Reports From The Perspective Of Forensic Linguistics/Ethnography (Tis'ah et al.)	P287-288
40. The Effect Of Student's Digital Literacy Level On The VIII Class Of Pai Learning Outcomes At SMP IT Tunas Harapan Ilahi, Tangerang City (Zulkifli et al.)	P289-290
41. Implementation of the End User Computing Method on the DORS System in the Potential Conflict Map Feature for User Satisfaction (Astuti et al.)	P291-292
42. Control Mechanism of Wing Landing Gears Aircraft Using PID Controller (Mulyadi & Amin)	P293-294
43. Translating Cultural Terms in Indonesian Folklore " <i>Hasil Sebuah Kejujuran</i> " by Bambang Subagyo into English (Sembiring et al.)	P295-296
44. Bibliometric Analysis: The Role of Self-Determined Motivation and Digital Skills in Transportation Agency (Atthahira et al.)	P297-302
45. Analysis Of The Influence Of Lecturers Competence, Experience And Motivation On The Diploma III Aircraft Operations Study Program Cadets Learning Achievements In ICPA Banyuwang (Rinaldi et al.)	P303-310

CERTIFICATE

OF APPRECIATION

SR-AIRB.221 Tahun 2022

Rakhmad Maulidi

as a virtual seminar 1st International & 2nd National Conference for Aviation Vocational Educational and Training Participant with the theme

“Aviation Roles for Geo - Connectivity of Indonesia Archipelago”

Banyuwangi, 24 September 2022

Capt. Daniel Dwantoro Rumani, S.E., S.Si.T., M.M., MA.
